EUROPEAN PIANO COMPETITION BREMEN 2024

Bremen, in May 2023

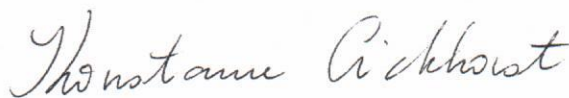

Dear Madam/Sir,

the European Piano Competition Bremen will take place from 6th – 13th February 2024. It is open to pianists aged from 16 to 30 years from Europe, the Commonwealth of Independent States, Georgia, Ukraine, Turkey and Israel. The competition aims to support talented pianists headed for an international career. Besides looking for artistic excellence and outstanding musical personalities, it seeks to develop and foster the communication between the contestants and the audience.

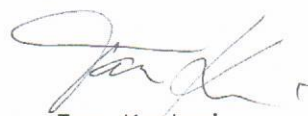

Prize winners will be offered to perform in further concerts and the competition will provide guidance for the winner's musical development and career.

We are looking forward to applications of young, talented pianists until September 1st, 2023. For further information please visit www.ekw-bremen.de. We have included some competition posters to this letter. We would be deeply grateful if you could hang them into a visible place in your institution.

Yours sincerely
European Piano Competition Bremen
