Information for Candidates:
For the season 2014/15 the Choral Academy of the Wiener Staatsoper is inviting expressions of interests from ambitious female and male singers of all ranges, up to the age of 28, who have the commitment to participate in a practice-oriented training at the chorus of the Wiener Staatsoper. The applicants will be made familiar with the procedures of daily theater work and introduced to the repertoire of the Wiener Staatsoper with the goal to take part in live performances. Besides the repertoire studies and choir rehearsals the training program also includes solo repetitions and voice coaching.

Candidates who have passed the audition and got accepted, will receive a training contract with a salary package as well. The period in the Choral Academy is scheduled for 12 months (always from September 1st to August 31st) and can be prolonged. In case of an agreement and a vacancy, singers can be admitted into the chorus of the Wiener Staatsoper.

Participating at the Choral Academy, which is directly connected to the chorus of the Wiener Staatsoper, is a beneficial preparation for a good way into professional life.

Requirements:
- Completed vocal studies, at least advanced undergraduate or graduate student
- Ability to sing polyphonic choral movements, as well as demanding a cappella passages
- Suitability to perform small soloist parts
- Ability to sing prima vista desirable

Audition requirements:
- Five arias in at least three different languages

If you are interested, apply with an up-to-date and detailed curriculum vitae, picture, your acquired repertoire, and your contact information to

Wiener Staatsoper
