POSTGRADUATE COURSE IN ORCHESTRAL TECHNIQUE
2016-2017

GRANTS

All students will be awarded a stipend (300 euros per month) from October 2016 to June 2017, inclusive. They may apply for accommodation at the University halls of residence at the Burgo das Nacións (180 meters from the School).

REGISTRATION

Online applications accepted until May 20th 2016 through the www.eaem.es website.

COURSE DURATION

October 1st 2016 until June 30th 2017

Course fee for the Advanced Course in Orchestral Technique is 700 euros, which includes accident and instrument insurance. EAEM students are enrolled as full members of the University of Santiago de Compostela.

COURSE DURATION

October 1st 2016 until June 30th 2017

COURSE CONTENT

Students will take part in a minimum of seven programs with the Royal Philharmonic Orchestra of Galicia. They will receive private lessons, chamber music, music theory and master classes of different specialties given by lecturers of recognized prestige invited for the occasion. They will, in addition, participate in public concerts as part of the program of events that the School offers to the city of Santiago. For more details on course content, please go to www.eaem.es.
