IMPROVE YOUR JAZZ LANGUAGE AND
SPEND UNFORGETTABLE WEEK IN PRAGUE!
For the past seventeen years we offer a week-
long intensive jazz course, which has gained
a significant reputation among similar events
of this kind in Europe.

THIS YEAR WITH MANY NEW LECTURERS
Every year we invite leading American and
European jazz players and teachers, who are
fully devoted to the students of all levels and
experiences, throughout the week. All of the
participants are welcome to play together
with their teachers at the nightly jam sessions
and final concert.

Not just theoretical, but also practical experi-
ence and guidance from the most experienced
musicians out there.

The Czech Jazz workshop brings inspiration
for a lifetime!
